RULES

Dear Dancers, Coaches, and Friends of Dance,

It is with great pleasure that we invite you to Warsaw Dance Champs 2027 — an international dance event that will bring together dancers, coaches, and dance clubs from Poland and around the world in Warsaw at the beginning of 2027.

We want Warsaw Dance Champs to be much more than just a sporting competition. Our ambition is to create an event filled with dance energy, excitement, and inspiration, and above all, a meeting place for people united by their shared passion for dance.

The international character of the competition will be further highlighted by an international judging panel, consisting of experienced and highly respected professionals from the world of dance. We believe that their presence, diverse backgrounds, and unique perspectives on dance will contribute to an event of the highest sporting and artistic standards.

Warsaw Dance Champs 2027 will also be a wonderful opportunity to kick off another year of dance in a truly special atmosphere. We hope that, for all dancers and coaches, this event will mark an exceptional start to 2027 — filled with motivation, new goals, inspiration, and positive energy, while setting the stage for a successful and rewarding new dance season.

Once again, Warsaw will become a meeting point for different countries, clubs, dance styles, and generations of dancers. We want the dance floor at Warsaw Dance Champs to be a place where not only competition matters, but also the opportunity to exchange experiences, make new connections, and build international friendships through dance.

We warmly invite you to join us in Warsaw for Warsaw Dance Champs 2027.

Let us begin the new dance year together — with energy, passion, and unforgettable emotions that will stay with us throughout the entire season.

See you on the dance floor at Warsaw Dance Champs 2027!

22–24 JANUARY 2027 — SEE YOU THERE!
